EMPLOYMENT

NEW YORK UNIVERSITY SCHOOL OF LAW, New York, US

Adjunct Professor of Law, August 2022 – August 2024

Designed and co-taught the ‘International Human Rights and Digital Governance Seminar’ with Prof. Philip Alston (Fall 2022, Spring 2024); co-taught the ‘International Organizations Clinic’ with Profs. Gráinne de Búrca and Angelina Fisher (Spring 2023, Fall 2023)

CENTER FOR HUMAN RIGHTS AND GLOBAL JUSTICE, NEW YORK UNIVERSITY, New York, US

Director of the Digital Welfare State and Human Rights Project, January 2023 – July 2025;

Research Scholar, August 2020 – January 2023; ***Junior Research Scholar***, January 2020 – August 2020

Responsible for leading a team of researchers working on the human rights impacts of the digitalization of government. Developed and led research projects on governments’ efforts to digitalize services. Produced research outputs for public audiences including reports, webinars, and op-eds. Identified advocacy opportunities and contributed to policy processes such as the U.S. ‘AI Bill of Rights.’ Created partnerships with NGOs and scholars around the world. Organized and hosted events and academic workshops; curated and hosted a public-facing interview and blog series about digital government. Recruited and managed graduate research assistants.

NEW YORK UNIVERSITY SCHOOL OF LAW, New York, US

Researcher on extreme poverty and human rights, September 2019 – February 2020

Contributed research input for official reports by the United Nations Special Rapporteur on extreme poverty and human rights, Philip Alston, including on the human rights impacts of digital welfare and on the sustainable development goals.
